

RECENT ADDITIONS TO OUR STAFF:

Todd Chambers, Production Manager

Todd joined the *KZValve* team in February 2011. He is a seasoned Manager with more than ten years of training in Lean Manufacturing Tools, human resource management, inventory control and strategic planning. His position of Production Manager and experience of reflecting on problems, solutions, and challenges, thereby will enhance the culture of continuous improvements at *KZValve*.

Todd has worked in the manufacturing field for over twenty-two years. In his previous Manager position, he had a broad responsibility and leadership for overall operation of a facility with over 150 employees and their \$37M in shipments. Todd prides himself on being an expert in improving profitability and developing employees.

Todd graduated from Southeast Community College in 1992 with an Associates Degree in Machine Tool Technology. Todd has had extensive training by experts from different industries in Lean Manufacturing and is a current student at Doane College completing his Business and Human Resource degree.
